General Regulations for applicant t and driver

Vehicle owner´s and drivers liability

I agree to the participation of the vehicle, as described in the registration form, in the training and regularity runs and declare to give up any claim against:

The FIA, CIK, DMV, DMSB and the organizer,

The KKCD or it´s representatives,

Other applicants, drivers, owners of competing vehicles or crewmembers ,

The driver of the participating vehicle I own,

Applicant and driver are liable for all obligations out of this registration.

Applicant and driver affirm:

the entry information given is correct and complete

the driver is capable of executing the training and the regularity runs

the kart complies with the technical regulations

the car can be surveyed in every detail by the technical commission

you don´t use drugs or other substances banned by national anti drug administration (NADA)

you accept the entry and registration form and the rules of the Klassik Kart Club Deutschland

All participants take part in the above mentioned regularity runs at their own risk. They bear the sole responsibility for all damage or injury caused by their vehicles or vehicles operated by them.

Historical Kart Racing means regularity sport. The ambitious regularity format of the KKCD allows an appropriate authentic presentation of the racing karts, representing the Karts in actual stile. Last but not least providing activities with sporty competition.

The activities on the race tracks are in accordance with the organizer, the actual rules and regulations of the FIA, CIK and the DMV . Besides that, the directives of the racing director are relevant.

Additional regulations:

Regularity runs are not meant to achieve best times.

All vehicles have to meet the basic safety requirements: Double Brake cable is mandatory. Chain guard is mandatory

Drivers must wear approved safety apparel. (FIA, CIK approved apparel is highly recommended).

To attend to the driver´s briefing of the organizer is mandatory.
